## Education

February 2021 - July 2021

- Eleven Fifty Academy, Web Development Immersive Learning Program, Indianapolis, IN.
  - 12 week immersive learning program for Web Development taught with industry-guided curriculum, real world project based learning, and 500+ hours of logged coding time and training.

## Competencies & Functional Skills

- Time management, team leading and communication, detail orientation, problem solving, critical observation and thinking, troubleshooting.

## Technical Skills

- Languages/Libraries: JavaScript, TypeScript, NodeJs, React, Express, JWT, Bcrypt, Stencil
- Cloud Technologies: Heroku, Firebase, GitHub
- CI/CD: Agile, Scrum, Git
- Database/ORM: PostgreSQL, Sequelize
- Web Technologies: HTML, CSS, SCSS, APIs, Responsive Web Design
- Styling Libraries: Bootstrap, Material-UI

## Technical Projects

- OnTour : A website for traveling, independent musicians <https://am-ontour.herokuapp.com>
  - Utilized Node.JS, Express, session validation, and SQL to create the back end of this project.
  - Utilized Typescript, React (class components), SCSS, and Material UI to create the client.
- BTN Mash: A group project game review website <https://arm-my-btnmash.herokuapp.com/>
  - For the server portion of this project, I was tasked with creating a user table, and also helped complete a full CRUD review table. Implemented session validation and utilized Node.JS, Express, and SQL.
  - For the client portion of this project I handled user login and registration. As a stretch goal, I created, styled, and implemented the logic for the 'Games' portion of the website. I utilized ReactStrap, React and functional components to fetch from the api.rawg.io.
- Play Fetch: Built with Stencil web components <https://aymiller200.github.io/stencil-react-app/>
  - This React app utilizes my own custom Stencil web components published to NPM.
  - App allows users to look at dog images based on dog breed (data fetched from Dog CEO API), and save their favorite images.

## Experience

October 2018 - Present

Monon Coffee Co. , Indianapolis, IN - Barista

- Listen well and communicate in a professional and friendly manner.
- Practice basic safety procedures with respect to equipment and handling hot beverages.
- Build good relationships with customers, attract new customers, and expand the menu.

2016 - 2021

Ping's Music, Indianapolis, IN - Instrument Repair Apprentice

- Managed inventory of instruments, strings, tuners, pedals, etc.
- Took instruction and learned from the owner on how to troubleshoot problems and resolve customer issues.
- In house subject matter expert for our product line.

June 2017 - June 2018

IndyHumane Society, Indianapolis, IN. - Canine Care Technician

- Worked as a team or alone to ensure each dog had gone out, been fed, and had a clean kennel in a timely manner.
- Responsible for tracking canine body language and reported any changes in behavior, eating habits, etc.
- Provided exceptional service to customers and volunteers as it was required.
- Worked closely with the medical and behavioral team to help evaluate canines on intake and took care of necessary documents.
